

## Texas Medicaid Fee Schedule Information Durable Medical Equipment (DME)/Medical Supplies

2007

Dear DME Provider:

The Texas Medicaid & Healthcare Partnership (TMHP) has compiled the Texas Medicaid fee schedules to help providers determine payment amounts for specific services. The schedules contain a list of procedure codes and corresponding reimbursement by the Texas Medicaid Program. This schedule is applicable to durable medical equipment (DME), home health DME (DMEH), vision providers (VP), and medical supplier providers only. Procedures listed in this fee schedule are payable based on the policies in effect for specific dates of service. Refer to the *Texas Medicaid Provider Procedures Manual* (TMPPM) and Texas Medicaid bulletins for program benefits, limitations, and approval processes.

The reimbursement methodology for DME under Home Health Services is located in Title 1 *Texas Administrative Code* (TAC), §355.8021(c).

The reimbursement methodology for expendable medical supplies under Home Health Services is located in 1 TAC §355.8021(b).

The reimbursement methodology for DME under Texas Health Steps – Comprehensive Care Program (THSteps-CCP) is located in 1 TAC §355.8441(5).

The reimbursement methodology for expendable medical supplies under THSteps-CCP is located in 1 TAC §355.8441(2).

The fee schedule field descriptions below will guide you in using the fee schedule. We hope this information is helpful to you in determining payment amounts for services provided. Thank you for your participation in the Texas Medicaid Program.

### Field Descriptions

*TOS*: Type of service. One-character TOS and corresponding description.

*Proc code*: Procedure code.

*Mod 1*: 1st Modifier, if required for pricing determination.

*Mod 2*: 2nd Modifier, if required for pricing determination.

*Client Age From*: From age, if required for pricing determination. This is *not* the age restriction of the procedure. See the TMPPM for exact age limitations.

*Client Age Through*: Through age, if required for pricing determination. This is *not* the age restriction of the procedure. See the TMPPM for exact age limitations.

*TMRM Payable*: Texas Medicaid reimbursement methodology per 1 TAC §355.8085. The payable amount for the TOS and procedure code for providers, specifically resource-based fees (RBFs). The payable amount is calculated by multiplying the total relative value units (RVUs) by the conversion factor (\$27.276).

*Total RVUs*: The current RVUs in TMHP files for the procedure code.

*Conv Factor*: The conversion factor amounts for determining either the TMRM payable or the anesthesia payable amount.

*PPS Fee*: Prospective Payment System (PPS) fee.

*Access-Based or Max Fee*: The access-based fee (ABF) amount or maximum fee.

*Note Code*: Note code indicator. It is important that each note code be reviewed to identify specific payment explanation or limitation.

### Note code description:

- 5 This procedure is manually reviewed to determine pricing.
- 6 This procedure is payable only through the CCP Program.
- 7 Also available as a Home Health and DME service.
